Dear Vllls Bro Pedro, MPGC of the Spanish Federation,

I was deeply saddened to hear about the tragic deaths and the many injured in the attack in Barcelona and Cambrils.

It is once again people attacking our way of life. People who do not want us to be different. As masons, we stand together, wherever we are in the world, against any form of intolerance.

We have a very good relationship with your federation and Spain, as your certainly know, is one of Britain favourite holiday destination. We hold our Spanish friends and brothers very dear in our hearts.

In these difficult circumstances, in the name of the brethren, I would like to convey our fraternal love and affection to our Spanish Brothers and sisters as well as the Spanish nation.

We will always be here to support you.

Yours sincerely fraternally,

seeing in a different light

Estimados hermanos Pedro Pedro, MPGC de la Federación Española,

Me entristeció profundamente escuchar las trágicas muertes y los muchos heridos en el ataque en Barcelona y Cambrils.

Una vez más, las personas atacan nuestro modo de vida. Gente que no quiere que seamos diferentes. Como albañiles, estamos juntos dondequiera que estemos en el mundo contra cualquier forma de intolerancia.

Tenemos una muy buena relación con su federación y España, como usted sabe, es uno de los destinos de vacaciones favoritos de Gran Bretaña. Tenemos a nuestros amigos y hermanos españoles muy queridos en nuestros corazones.

En estas circunstancias difíciles, en nombre de los hermanos, quisiera transmitir nuestro amor y afecto fraterno a nuestros hermanos y hermanas españoles, así como a la nación española.

Siempre estaremos aquí para apoyarle.
